Membership

According to the meteorologists, summer will be arriving any day now. If you're like me, I've thoroughly enjoyed the extended Spring we've been having. Your Membership Department is ready for the heat though, as we prepare to offer Summer Specials.

The month of May was very encouraging with 15 new memberships (12 golf, 3 social). We also had our busiest month for prospects, totaling 71. One of the reasons for our great success was the addition of CBS to our STCC Marketing plan. Plus we have partnered with radio personality Brian Blessing on Sports Talk Radio. STCC is now LIVE every Wednesday at 12:30 p.m. so turn to 1400 AM and listen in.

It's nice to see Membership soaring as we celebrated one of our largest Men's & Women's Member Guest. Weather was

perfect for the Ladies and a lot of praying kept the rain away for the Men. It's time for another New Member Mixer (see next page for details).

In closing, a shout out to all the Dads... Happy Father's Day! And as always, thank you for your Membership at STCC.

Jim Sherouse
Membership Marketing Director
